About AmeriCorps State and National:

AmeriCorps State and National programs provide thousands of Americans each year the opportunity to improve the lives of their fellow citizens through service. Funded by the Corporation of National and Community Service (CNCS), a federal agency, AmeriCorps works hand in hand with local partners, tapping the ingenuity and can-do spirit of the American people to tackle some of the most pressing challenges facing our nation. CNCS invests in thousands of nonprofit and faith-based groups that are making a difference across the country. Up2Us Sports is a proud member of the AmeriCorps community. AmeriCorps members are not employees of the Program or of the federal government. The definition of "participant" in the National and Community Service Act of 1990 as amended applies to AmeriCorps members. As such, "a participant (member) shall not be considered to be an employee of the Program in which the participant (member) is enrolled" ((42 U.S.C. 12511(30) (B)). Moreover, members are not allowed to perform an employee's duties or otherwise displace employees, and therefore generally not eligible to receive unemployment compensation.
